

## **A Place for Celebration, Reflection, & Connection**

As the year comes to an end, we want to thank you for supporting the Columbus Botanical Garden. **For 25 years, the Garden has been a special place for beauty and learning because of people like you.**

This year, your support changed lives! You helped kids explore and learn through programs like Little Sprouts and made it possible to grow over 1,400 pounds of vegetables to feed those in need. The Garden is a special place where families feel safe. People come together to celebrate important moments, honor and remember loved ones, and create unforgettable memories with friends.

**Your support makes all of this possible—imagine what we can do together next year!**

Together we can grow new gardens, share exciting programs, and teach people to care for nature. Please consider making a year-end donation to help us.

**Thank you for being part of the Columbus Botanical Garden family. We can't wait for another amazing year with you!**
