The Museum of Aviation Foundation invites your business or organization to shine this holiday season by becoming a Festival of Trees Partner! This beloved holiday tradition draws thousands of visitors, offering you a unique opportunity to boost your brand, connect with the community, and showcase your creativity – all while supporting the Museum of Aviation Foundation.

Here's how it works:

- We'll provide a beautiful 6.5' pre-lit fir artificial tree for you to decorate with a theme of your choice – festive, whimsical, elegant, or all-out fun!
- Your decorated tree will be prominently displayed in the Museum's main Eagle building throughout the holiday season, where it will be seen by thousands of guests.

Marketing & Community Benefits:

- On-Site Recognition: Your business name will be proudly displayed next to your tree for the entire display period.
- Online Promotion: Your logo and website link will be featured on our Festival of Trees webpage.

- Social Media Spotlight: We'll share event updates and tree highlights with our followers, driving more eyes to your display – and your brand.
- Photo Feature: A picture of your decorated tree will be posted online for visitors to admire and vote on.

Boost Engagement with “People’s Choice” Voting:

During the display period, guests in-person and online can purchase \$5 votes for their favorite tree. This fun, friendly competition encourages visitors to engage with your display – and can inspire them to share it with others.

Whether you go big and bold or keep it simple and elegant, your creativity will help make this year’s Festival of Trees a magical experience for our community.
